

MUNROE: Leading the way in BOF/EAF hood components.

Munroe is your one-stop source for engineered and fabricated BOF/EAF hood components. Replacement or retrofit, you get a perfect fit, excellent quality and superior performance every time.

World class products that perform.

Fabricated to ASME specs under strict quality control, our products include:

- Hood Sections
- Skirts
- Troughs
- Removable Doors
- Lance Inserts
- Water Cooled Ducts

Munroe's weld overlay capability provides superior corrosion resistance and adds greater life to retrofit components.

A turnkey source.

Replacement or repair, Munroe provides "full" turnkey construction services, from excavation through start-up, for any BOF/EAF Hood or Boiler project. Our expert staff can handle the toughest jobs with utmost speed and efficiency.

Let us show you how we can help you.
